ANNUAL REPORT

OF THE

AUDITOR OF THE STATE

FOR THE

FISCAL YEAR ENDING NOVEMBER 30, 1914.

DEPARTMENT OF THE STATE AUDITOR,
RALEIGH, December 1, 1914.

*To His Excellency, LOCKE CRAIG,
Governor of North Carolina.*

SIR:—In obedience to the law, I have the honor to hand you here-
with the Annual Report of the State Auditor for the fiscal year ending
November 30, 1914.

The financial transactions and the condition of the State are sum-
marized in the following statement:

Balance on hand December 1, 1913:		
Educational Fund.....	\$ 3,899.76	
General Fund.....	284,122.20	
		\$ 288,031.96
Receipts:		
Educational Fund.....	\$ 128,553.47	
General Fund.....	4,683,875.13	
		4,812,428.60
Disbursements:		
Educational Fund.....	\$ 127,649.40	\$ 5,100,460.56
General Fund.....	4,853,312.46	
		4,980,961.86
		\$ 119,498.70

SOLDIERS' HOME.

The General Assembly of 1913 appropriated \$35,000 for the main-
tenance of this institution.

The increasing feebleness of the Old Boys in Gray, with the passing
years, necessitated an addition to the hospital, which was built during
the past year. The cost of this was paid out of our regular appropri-
ation. We have a regularly employed physician, and in our hospital

we have a corps of nurses who are not only thoroughly efficient in their line, but are sympathetic, painstaking, and gentle in their ministrations to the sick and afflicted.

The buildings and grounds are in good condition, and the general health of the inmates is good, considering their advanced ages.

I feel that we have just cause for congratulation on the excellent financial showing for the past fiscal year. There was appropriated last year for the support of the institution, \$35,000. Up to November 30, 1914, we disbursed \$31,149.15, which left us with a balance to our credit of \$3,850.85. Against this should be charged expenses for certain necessary repair work we are contracting to have done, but which has not yet been paid for.

With the increased room in the quarters and hospital, we have been able to accommodate all applicants for admission who were eligible.

Below is a roll of the Home for the past year:

Number in the Home December 1, 1913.....	140
Admitted during the year.....	69
Died during the year.....	40
Discharged and placed on the pension roll.....	30
Number in the Home November 30, 1914.....	139
Applications on file for admission.....	22

PENSIONS.

The pension roll for 1915 shows the total number of pensioners to be 15,039, classified as follows:

Class.	Number.	Amount Paid Each.
First.....	38	\$ 72.00
Second.....	160	60.00
Third.....	285	48.00
Fourth.....	8,230	32.00
Widows.....	6,326	32.00

The General Assembly of 1913 appropriated \$500,000 annually for pensions for the old soldiers, and this amount we have distributed among them for the past two years.

In addition to the \$500,000 paid out on the regular pension list, we have paid out \$13,320 in special pensions to the totally blind soldiers.

TAXATION.

This question has been given such prominence and has been so widely discussed during the past two years, and with such a diversity of opinions, that it would be impracticable, at this time, to consider the merits and demerits of the many schemes suggested. We are still inclined to the opinion, however, that the suggestions outlined in our letter transmitting our report to your Excellency for the year ending November 30, 1912, if properly worked up and carried out, might develop better conditions.

AUDITING.

The Revisal provides that the Department of the State Auditor examine the books and accounts of the various departments of the State Government and the different State institutions, but does not provide the means for doing this. This Department also audits and checks the returns for State taxes received from the sheriffs and registers of deeds of the one hundred counties in the State. For doing this there is placed at the disposal of the State Auditor an amount not exceeding \$2,500. It will readily be seen that this amount is not sufficient to secure the services and pay the expenses of competent men to visit and check the various institutions.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read 'J. P. Wood', written in a cursive style.

State Auditor.
